

# FLASHING YELLOW ARROW

## LEFT-TURN SIGNAL

### WHAT DO THE ARROWS MEAN?

#### SOLID RED ARROW

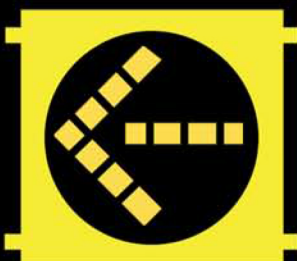

Drivers intending to make a left-turn must stop and wait at the intersection approach.

#### SOLID YELLOW ARROW

Left-turning drivers are warned that the signal is about to turn red and should prepare to stop. If a vehicle is in the intersection, the driver should turn left when traffic is clear.

#### FLASHING YELLOW ARROW

Drivers may turn left at a flashing yellow arrow. Drivers should yield to traffic and pedestrians before attempting a left-turn. Oncoming traffic has a green light.

#### SOLID GREEN ARROW

Drivers intending to make a left-turn have the right of way. Oncoming traffic has a red light.
